Program

Friday, May 3, 2019

Network Meeting	10:00 – 12:00	The meeting intends to enable the exchange of the status quo of (corpus, lexicon, nonmanual) research of our (neighbor) countries and to discuss possible future collaboration. The exchange specifically focuses on how to include the Deaf Community within our linguistic projects. Any open questions, further requests and open issues regarding the workshop are to be discussed during the network meeting as well.
